LETTER FROM THE LAWN CHAIR

BY MAC Mc Donald

WOW! I am sitting here a couple days after the election and wondering how to tell my grandkids, especially the girls, what we have just done to their future. I don't know of a single parent who doesn't want things to be better for our kids, but this! This isn't a statement that looks like "Make America Great Again" I look around and see nothing but FEAR on the faces of my friends, family and our children. Our family is comprised of White, Black, Hispanic, Asian, Hawaiian, Oriental and mixtures of all.

We are straight and gay; young and old; some college educated and some not; doctors, educators, lawyers, nurses, pilots, members of the Army, Air Force and Marines, Police officers and Firefighters, engineers, social workers, trades people, laborers and retail service workers, Moms and Dads all working to make the world a better place. We are of differing religions, political persuasions and economic status; read different books, enjoy different movies, sports teams, foods and lifestyles. But in the end We are more concerned about "Doing Right" than "Being Right."

I see the same qualities in my neighbors here in Loma Linda. Some of us have lived here for 50 years or more while some are very recent arrivals. This is OUR Neighborhood. It can be whatever We choose it to be! We have before us the opportunity to build the strongest, safest, most beautiful area

of Phoenix. It will take a little effort on each our parts.

First, GET TO KNOW YOUR NEIGHBORS! We can't watch out after each other unless we know what is normal and who belongs here.

Second, COMMUNICATE with those around you. This may be on NEXTDOOR or just by phone — or like the old days — face to face. Know that Phoenix Police and Fire, along with all other city services, are there to ASSIST YOU!

Third, GET INVOLVED in YOUR Loma Linda Neighborhood Association. Serve as an Officer, deliver Newsletters, volunteer at the school, assist with Blanche's Garden, become involved in the Secret Santa project to assist a family in our neighborhood have a better holiday, form a team to clean up the alleys, report graffiti, assist your neighbors to tidy up your block, be aware of local zoning issues and attend hearings (that is how the Loma Linda Neighborhood Association was formed).

Forth, ATTEND the next LLNA meeting DEC 13th 6:30 PM in the Multipurpose Room on Fairmont between 20th and 21st Street Meet your neighbors, swap Christmas cookies, learn some new stuff and give your input on ways to improve where we all live.

As we move into the holidays remember to take good care of the children they are the future!

"Life's most persistent and urgent question is, 'What are you doing for others?'"

— Martin Luther King

Letter from the Principal

By Dr. Stephanie De Mar

First semester of the 2016/2017 school year is drawing to a close and as we get ready to embark on a new year, 2017 and second semester of learning at Loma Linda, I want to share with you some of the exciting things that have taken place during the first half of the school year at Loma Linda.

Our school year kicked off with some excitement as the Phoenix Suns Gorilla and representatives from the Phoenix Suns visited our 1st-3rd grade classrooms to present students with brand new backpacks filled with supplies.

In our middle school, our students began the school year by choosing two different elective classes to participate in for the semester. Ceramics, yoga, coding, Glee, advanced band, gardening, Leaders of Today, and of course, PE, are just some of the choices our students had for this semester and our students couldn't be happier with their options and classes.

Our partnership with the City of Phoenix and the Experience Corps Tutoring Program brings our 12 AARP volunteers to our campus two days a week, working with some of our 1st, 2nd and 3rd graders building their reading fluency, comprehension and most importantly, making connections and building relationships with individual students. One of our tutors said "I couldn't wait to get back to Loma Linda and these kiddos, they put a smile on my face and make my heart full."

Our middle school students participated in an essay writing contest sponsored by the City of Phoenix Police Department and one of our very own, Michael Moran's essay was selected as a winner. Michael got to travel downtown to the Police Department with our SRO, Officer Dalton to be recognized and he received a free laptop to support his education. Congratulations to Michael!

On September 27th, Ms. Naven, our middle school social studies teacher, hosted Senator Katie Hobbs as part of

“ These are just a few of the exciting things that brought our community together, enriching the learning opportunities for our students and illustrating the reasons why Loma Linda was selected as an A+ School of Excellence.

the Take Your Legislator to School Day. Senator Hobbs spent the morning visiting our middle school classrooms and then had lunch with a group of 15 students to talk more in depth about her role as a state senator and engage in questions and discussions with our students.

On Election Day, November 8th, every Loma Linda student had the opportunity to participate in the election with the Kids Voting initiative. Our middle school students ran the polls, in our multi-purpose room and throughout the day, students visited and cast their votes for president, senator, proposition 206 and retention of a judicial judge. Votes were tallied by our middle school students and winners were announced to students at the end of the day, with a reminder to watch election coverage to see if our Loma Linda results matched the state and national outcome.

These are just a few of the exciting things that brought our community together, enriching the learning opportunities for our students and illustrating the reasons why Loma Linda was selected as an A+ School of Excellence. Our Lancer students and staff are looking forward to second semester as we continue to learn and grow together as a community with many other exciting events and opportunities to enrich our students' learning experiences.

Help a Neighbor This Holiday Season

By Eileen Wells

Let's celebrate the holiday season by supporting one of our own families in the Loma Linda Neighborhood. We have been supporting our own neighbors in this way for years. We uphold each other! As we enjoy the holidays with good friends, great food and cheer, we can rest assured that we have taken care of one of our own brother/sisters in the neighborhood. This is a great way to spread the holiday spirit and make a difference in the lives of your own neighbors.

Stay Alert & Report Suspicious Activity to Prevent Neighborhood Crime

In the last few months there have been many burglary incidents in our neighborhood. It is important to be the eyes of your neighborhood. You know your part of the neighborhood the best, and you undoubtedly notice when something is different or there is suspicious activity. If you see something suspicious, don't hesitate to call the Phoenix Police Crime Stop number. It's important for each of us to be alert and watch each other's backs (and homes).

Each year in the U.S. there are more than five million home burglaries. Nine out of ten of these crimes are preventable. The risk of being burglarized can be greatly reduced by taking simple steps to make your home more difficult to enter and less enticing to would-be burglars. Make your home look occupied, and make it difficult to break in.

CRIME PREVENTION TIPS — BURGLARY

The Basics:

- Lock all outside doors and windows before you leave the house or go to bed. Even if it is for a short time, lock your doors.
- Leave lights on when you go out. If you are going to be away for a length of time, connect some lamps to automatic timers to turn them on in the evening and off during the day.
- Keep your garage door closed and locked.
- Don't allow daily deliveries of mail, newspapers or flyers build up while you are away. Arrange with the Post Office to hold your mail, or arrange for a friend or neighbor to take them regularly.
- Arrange for your lawn to be mowed if you are going away for an extended time.
- Check your locks on doors and windows and replace them with secure devices as necessary.
- Sliding glass doors are vulnerable. Special locks are available for better security.

Don't Tempt a Thief:

- Lawn mowers, barbecues and bicycles are best stored out of sight
- Always lock your garden sheds and garages.
- Use curtains on garage and basement windows.
- Never leave notes on your door such as "Gone shopping."

Locks ... Get the Best:

- No lock, regardless of its quality, can be truly effective. Key-in dead bolt locks provide minimum security. Ask a locksmith for advice on your situation.
- Change locks immediately if your keys are lost or stolen.
- When moving into a new home, have all locks changed.

Targeting the Outside:

- Have adequate exterior lighting. A motion-sensitive light is recommended for backyards.
- Trim trees and shrubs so that they cannot be used as hiding places for intruders.
- Make sure your door hinges are on the inside.

Windows:

- Most windows can be pinned for security.
- Drill a 3/16" hole on a slight downward slant through the inside window frame and halfway into the outside frame - place a nail in the hole to secure the window.

Alarms:

- An alarm system is excellent for home security. It provides peace of mind to homeowners, especially while on vacation. There is a wide variety of alarm systems on the market.

- If you have a home alarm system, use it!

If Your Home Is Broken Into:

If you come home to find an unexplained open/broken window or door:

- Do not enter — the perpetrator may still be inside.
- Use your cell phone or a neighbor's phone to call police.
- Do not touch anything or clean up until the police have inspected for evidence.
- Write down the license plate numbers of any suspicious vehicles. Note the descriptions of any suspicious persons.

Other precautions you should take:

- Never leave keys under doormats, flowerpots, mailboxes or other "secret" hiding places — burglars know where to look for hidden keys.
- Keep a detailed inventory of your valuable possessions, including a description of the items, date of purchase and original value, and serial numbers, and keep a copy in a safe place away from home — this is a good precaution in case of fires or other disasters. Make a photographic or video record of valuable objects, heirlooms and antiques. Your insurance company can provide assistance in making and keeping your inventory.

The MOST important thing you can do is to **call the police to report a crime or any suspicious activity**. Always report anything that seems off or suspicious. Our neighborhood officers are happy to investigate anything that may cause concern. Just **call Crime Stop at 602-262-6151**.
